Dear Sir or Madam,

The Junior League of the Palm Beaches, Inc. is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Our purpose is exclusively educational and charitable. The Junior League reaches out to all women regardless of race, religion, or national origin who demonstrate an interest in and commitment to voluntarism.

The Junior League of the Palm Beaches, Inc. is proud to offer a \$2,500 scholarship to an individual who will be graduating high school this year and will be attending college in the fall. To be eligible, this individual should currently be volunteering outside the school and be someone who has demonstrated a commitment to:

1. Promoting voluntarism
2. Developing the potential of others
3. Improving the community through volunteering

Each high school may submit **no more than one** candidate. Applicants will be evaluated based on their ability to demonstrate their commitment to the three criteria listed above.

Completed applications should be emailed to nominating@jlpb.org, as described in the application, no later than April 2, 2021. The scholarship winner and parents will be invited to attend an event where the scholarship is presented. During the event, the winner will be asked to say a few words. Given COVID-19, the event will likely be virtual.

If you should have any questions regarding the application, please contact the undersigned at nominating@jlpb.org. Thank you for your participation.

Sincerely,

Dana Ross
