

JUNIOR LEAGUE THE PALM BEACHES

PARTNERSHIP PROPOSAL 2026-2027

JUNIOR LEAGUE THE PALM BEACHES

Dear Community Partner,

For more than eight decades, the Junior League of the Palm Beaches has been dedicated to creating meaningful change throughout Palm Beach County through volunteerism, leadership development, and community impact. Since our founding in 1941 by 15 visionary women, JLPB has remained committed to identifying and addressing the evolving needs of our community while developing women leaders equipped to make a lasting difference.

Throughout our history, the Junior League has played an instrumental role in initiatives that continue to benefit our community today, including helping establish the **Cox Science Center & Aquarium**, supporting the launch of **Quantum House**, revitalizing the **Vita Nova Residential Center**, and creating impactful programs such as the **Period Supply Bank** and **Free Little Library Program**.

Today, our mission continues through a strong focus on education, literacy, and community outreach programs that directly serve families and children across Palm Beach County. Every project and partnership is powered by the dedication, training, and passion of our volunteers, whose collective impact reaches thousands each year.

As we look ahead to the 2026–2027 League year, we invite you to partner with the Junior League of the Palm Beaches as a corporate sponsor. Your support is more than a contribution — it is an investment in sustainable community programs, the development of future women leaders, and the continued growth of initiatives that strengthen Palm Beach County.

A partnership with JLPB provides meaningful visibility within the community while aligning your organization with a respected legacy of service, leadership, and impact. Together, we can continue building a stronger future for those we serve.

We would be honored to have your support and partnership in the year ahead.

With Gratitude,

Emily Schachtel
President, Junior League of the Palm Beaches
