

Sprint into Spring Training

Junior League of the Palm Beaches
hosts a unique fundraiser

All ages and fitness levels are invited to lace up their sneakers to enjoy a one-of-a-kind 5K.

Junior League of the Palm Beaches hosts its 2nd annual "Spring into Spring Training."

This event features a rare chance to run across the fields of two Major League Baseball teams: the Houston Astros and Washington Nationals. Both hold their spring training at CACTI Park, formerly The Ballpark of the Palm Beaches.

The 5K is open to runners and walkers, including those who'd like to run with strollers. Children will especially enjoy the kids' 100-yard dash race.

"This isn't just a race; it's an experience," says Maria Pumarejo, Junior League of the Palm Beaches President.

The 5K is open to runners and walkers, including those who'd like to run with strollers.

"Whether you're running, walking, or enjoying the 5K with your little one in your stroller, it's such a unique, fun event. You'll be making lasting memories while supporting the important work of the Junior League of the Palm Beaches. There's truly something for everyone."

Adding to this home run of an experience, the top overall winners for men and women will earn the chance to throw out a first pitch at an MLB Spring Training game.

"Sprint into Spring Training" supports the Junior League of the Palm Beaches' community service focused on literacy, healthcare and children's services.

The 5K is being held on Saturday, February 1, beginning at 8 a.m. The kid's dash starts at 9 a.m. To register and for more information, visit jlpb.org/sprint-into-spring-training-5k/. ■
